

Retired or coming up to retirement?

St Mary's Secret Garden is a small grass roots charity that brings people together to grow and enhance wellbeing. We are looking for older, skilled volunteers (over 59yrs) to help us in many aspects of our work. If you are interested, please come and speak to us to see how you can help this garden grow.

- For example: could you be a trustees or fundraiser? can you fix a leaking tap or water butt? Do you know your sow's thistle from your grannie's bonnet? Would you like to meet new people and know you are going to make a positive change to people's lives and the environment.

This opportunity is made available by a grant from Team London (<https://www.london.gov.uk/what-we-do/volunteering>). Volunteering hours and days can be flexible to suit the individual but some roles require certain commitments in time. Come and chat to Paula, Kate or Cathy on Mondays in the garden.
