Garden Social

Our brand new Garden Social for older Hackney residents with learning disabilities kicked off this week with an exploration of the garden and a workshop on seed saving. The sessions will be running on Tuesdays from 10am until 2pm.

The project is financed by Big Lottery Fund and coordinated by Hackney CVS, through the Connect Hackney Ageing Better programme which aims to improve the wellbeing of people aged over 50 by preventing loneliness and isolation.

Please share with anyone you think might be interested in attending.
