

USER FEEDBACK

*This garden makes me happy-each plant, each leaf, each tree
It was part of getting better and now it's part of me*

*This garden makes me happy- and when I'm out of sight
I listen to all the bird song and I sleep much better at night*

*This garden makes me happy-I'm not bored and just watching TV
It makes me feel better than when I'm not here- It's a proper family*

*This garden makes me happy- I dig and I water and sow
I cook with my friends and eat fresh food-instead of feeling low*

*This garden makes me happy-hard work in the open air
Is good for my mind and body and I talk- I learn and I share*

*This garden makes me happy- my fingers get covered in earth
At times I feel a burden –but here I have self-worth*

*This garden makes me happy-full of flowers and friends
I'm scared there might be nothing if this garden ever ends*

*This garden makes me happy -there are always jobs to do
I planted seeds and watched them grow and I got a certificate too*

*This garden makes me happy- Each plant, each leaf, each tree
It was part of getting better and now it's part of me*
